JOINING THE WEPs

How can my company join the WEPs?

Joining the WEPs requires two actions from your side:

1. The company’s or organization’s top executive signs the CEO STATEMENT OF SUPPORT.
2. You complete the online form HERE. The signed CEO statement of support needs to be uploaded to this online application. For further guidance on how to complete the form, see HERE.

Once completed and submitted, you will receive an automatic email confirming your submission.

Please note that your company is only considered a WEPs signatory when your application has been approved. Once approved, you will receive another email confirming that your company’s application has been approved and welcoming your organization to the WEPs community.

How can I access guidance on completing the online form?

✔ Please refer to the WEPs application guidance document HERE.

How do I know whether my application has been properly submitted?

✔ You will receive an automatic email upon submission of the application.

Is signing the CEO statement of support enough to be considered a WEPs signatory?

✔ No, while having the highest-level decision maker of the company, such as the Chief Executive Officer (CEO), signing the CEO Statement of Support is important, it is only the first step.

✔ You also need to complete the online form HERE. This is where you upload the CEO statement of support.
Can we edit our CEO Quote?

Yes, please create a Company Profile Page on WEPs.org. This will give you access to update the CEO Quote.

We have a new CEO, what happens to our WEPs signature?

Please email the contact information of the new CEO together with a new and signed CEO Statement of Support at weps@unwomen.org. We will help you with the update. The original date of WEPs commitment will remain the same.

---

I did not receive an automatic email upon the submission of the application. What should I do?

If you do not receive an email, we recommend that you check all spam, clutter and junk folders. If you still did not receive a confirmation email, please re-submit the application.

If you are experiencing any technical problems while attempting to submit your WEPs application we advise you to use Chrome instead of Internet Explorer.

We cannot find our company in the global WEPs company listing page. What do we need to do?

There could be several reasons for this:

- **Your application was incomplete**: A member of our team will reach out to the focal points listed in the application for clarifications or additional information.

- **The application was declined**: If for some reason, your application was declined, you will be notified by the WEPs Secretariat.

- **You did not complete the submission of the application**: Please complete and resubmit your application. You will receive a confirmation once your application has been successfully submitted.
I sent the application via email but have not heard back from the WEPs secretariat. What should I do?

- Applications sent directly via email will not be processed.
- Please submit your application through the online form.

How long does the approval process take?

- Please allow 10-15 business days for us to process the application. We will reach out to the primary and secondary contacts if we need additional information.

Is there a fee to join the WEPs?

- No, there is no fee to join the WEPs. However, you are most welcome to donate to the WEPs Secretariat. To thank you for supporting our work with a contribution, your company will get special recognition on our site and a donor badge on the company listing page [HERE](#).

Our primary and secondary contacts listed in our WEPs application form have changed, my company can no longer log into our account and/or Company Profile Page. What should we do?

- If both the primary and secondary contacts have changed, please have the CEO, or someone in his/her office, email their names and contact details to weps@unwomen.org and we will correct this in the system.
- If you know that you or a colleague listed as a primary or secondary contact person will be changing roles/jobs, you can prepare for this by creating a Company Profile Page on WEPs.org and making sure to keep all information up to date.
IMPLEMENTING THE WEPs

Do we need to focus on all seven principles?

- There are **no formal requirements** to implement the Principles in a particular order, in a specific way or in a particular timeframe. However, we expect all WEPs signatories to make efforts to advance gender equality in the workplace, marketplace and community.

Are we required to report on our efforts to implement the WEPs?

- While there is no formal obligation to report, companies are strongly encouraged to take steps to monitor and report on their progress since it shows **full commitment to the gender equality agenda**.
  - Principle 7 explicitly calls on companies to report on progress and underscores that accountability and transparency go hand-in-hand. While not everything of value can be counted, it is difficult to manage and assess progress if not measured.

COMMUNICATING YOUR WEPs COMMITMENT

We are equally excited and encourage you to inform all your internal and external stakeholders. Please hold on until we have confirmed that the application has been approved. Once it has been approved, you will receive a **Welcome Package** with internal and external communication templates, key messages, social media and outreach materials (e.g. posters, flyers, banners, postcards).
