

WEPs Updates

Dear WEPs signatories,

We are excited to share with you some updates:

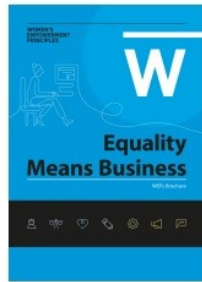

### WEPs Reporting

We have now created a **reporting** function where you can share updates on your progress in implementing the WEPs against 8 Essential Indicators.

Updating your progress is done from your company profile page (see [here](#)). We have prepared some guidance on how to share your progress [here](#).

### WEPs Brochure

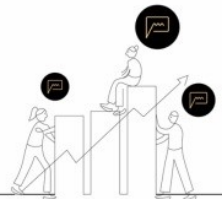

We have just launched the third edition of the [WEPs Brochure](#). It serves as a comprehensive toolkit to guide you through the WEPs Journey.

We invite you to share it with your colleagues, business partners and suppliers.
